Networking Meeting – Solutions for low noise road surfaces

06 February 2024

LIFE programme 2021-2027

- The LIFE programme as a whole constitutes a 100% contribution to the objectives and targets of the European Green Deal.
- The only EU programme dedicated exclusively to the environment, nature conservation and climate action.
- For the years 2021-2027, a budget of 5.43 billion €.
- The multiannual work programme for 2021-2024 was adopted on the 9th of July 2021.

Priority topic: NOISE

Under this heading, priority will be given to projects in **urban areas** in order to improve the situation for a **maximum number of persons**.

Substantial reduction of noise **inside densely populated urban areas** through solutions with high environmental and economic sustainability; for instance, by using low noise **surfaces and/or tyres** having life cycle costs comparable to those of standard surfaces and/or tyres, **low height barriers** with low landscape impact and eco-friendly materials, or lowering noise from **railway traffic or airports**.

LIFE 2024 calls for proposals

- The LIFE Calls for proposals 2024 are expected to be published on the [Funding & tender opportunities portal](#) on **18 April 2024**.
- CINEA will hold virtual information sessions from **23 to 26 April 2024** to guide potential applicants through the LIFE Calls for proposals 2024. See the [LIFE YouTube channel](#) for previous [recordings](#).
