Variazione media anno 2021 vs 2020 Veicoli Pesanti

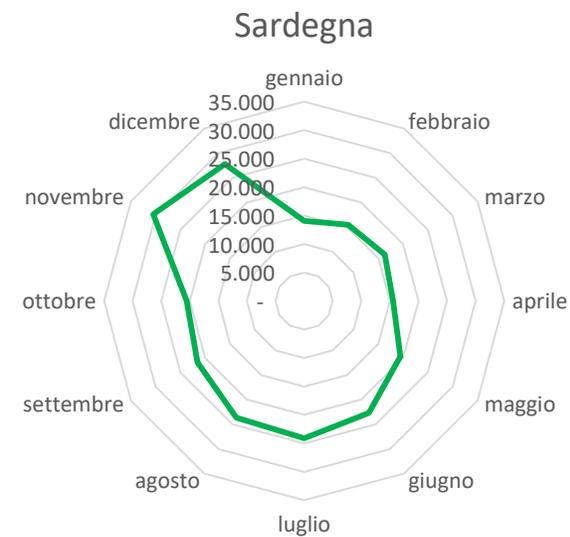

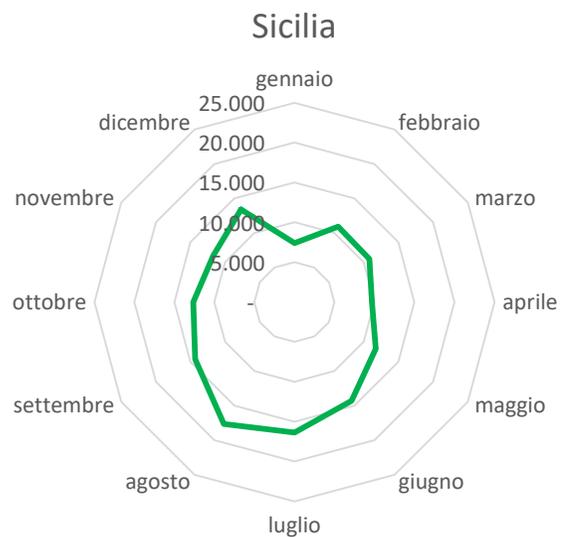

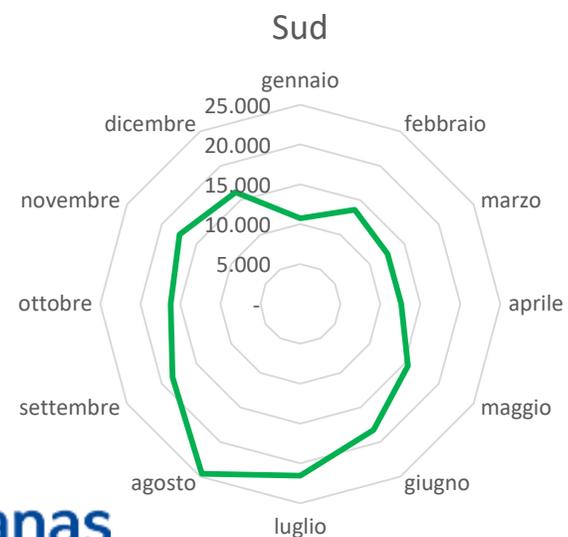

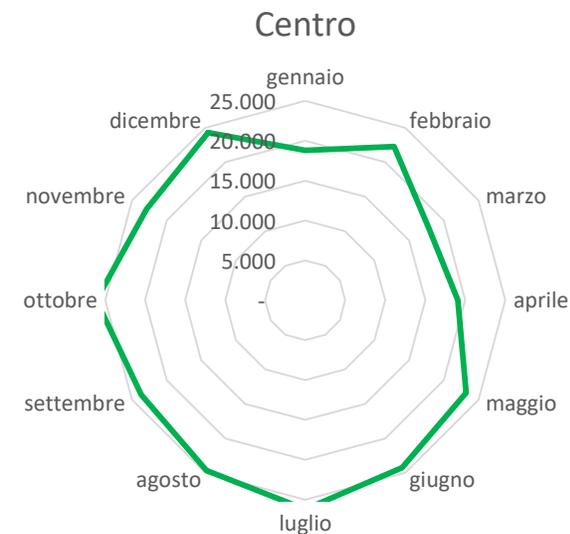

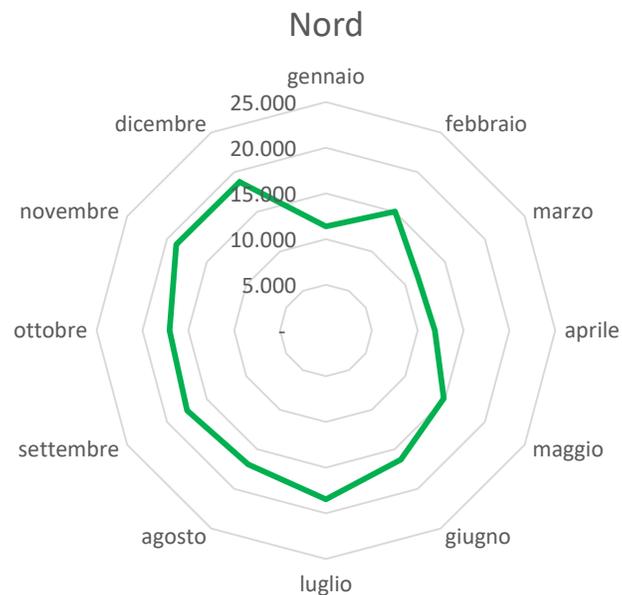

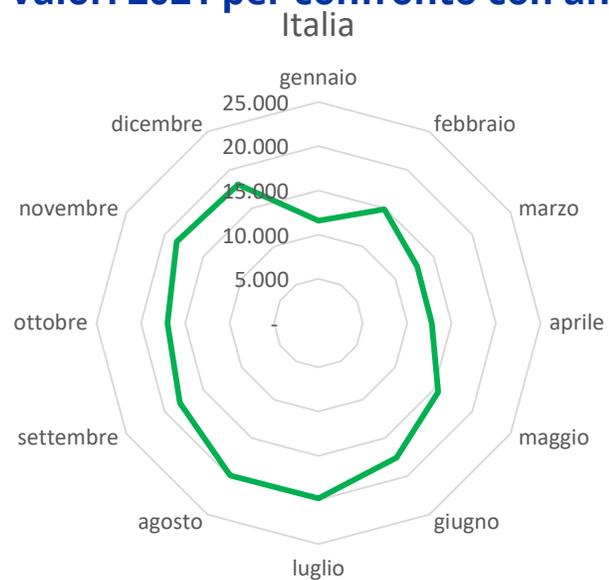

Anche nell'anno 2021 i volumi e l'andamento del traffico sono stati influenzati dalla situazione pandemica e dalle misure adottate per contenerla.

I maggiori riflessi sono riscontrabili nel segmento dei Veicoli Totali, maggiormente condizionato dalle politiche di contenimento adottate, sia nell'anno appena trascorso che nell'anno 2020.
